MEDITATION

Jim Gordon - 1983

Oh Masters of Inner Light, we come together and link our hearts, minds and soul in union with the Father, Creator, God. In union we form one body, one mind and one soul to do the will of God. As we are renewed in the Life of Spirit and are realigned with the Will of God, may we at this time help the Earth and humanity to align itself to the higher path back to the Father.

As you, the Masters of Inner Light, align yourselves with the Higher Will and the Higher Light and focus it toward humanity, may we at this time help by joining together and forming a body of one, help in dispersing the Light to the World.

May this Light and Love and Grace of the Father renew the Soul of Earth and give it new life. May the Light and Love and Grace of the Creator renew the Soul of Humanity. May this renewal bring balance, harmony, peace and love into full manifestation upon the Earth, balancing karma peacefully for humanity and we ask that a special Light to dispell destruction might begin to manifest upon the Earth and in the Hearts of Mankind so all might live in peace and Light.

In union, as a body of One, we focus upon the Inner Light, the Light of God and we become as a prism to send forth the Light unto all. Let a new Earth and a new humanity be born through the Grace of God and may they both be peaceful and without pain.

We call upon all Masters and Saints and Sages of the Light of God, Oh Sat Purush, to help in this effort and at this time we are one, we are the Will of God, we are the Body of Christ, we are renewed in the Grace and the Light of the Father.

Let us now become one and focus this renewal Light unto all humanity and the Earth.

Father: I am the Light
 I am the Light
 I am the Light of God

Son: I am the Love
 I am the Love
 I am the Love of God

Holy Spirit: I am the Grace
 I am the Grace
 I am the Grace of God

Repeat in series of 3, 3 times.
